CHRISTMAS TIME

WHAT TO DO:

Tree decorating:

Use the Christmas tree template and cut out green craft foam.

Place some glittery pom poms (size depends on age group (larger for younger) around the pool space.

Children swim down to collect their "baubles" to decorate their tree.

Lights on the tree:

Using the craft foam trees or the Christmas tree printable.

Print off and laminate the light sheets. Cut them length ways.

Place the cards by their tree and the swimmers go and find the correct lights colour in order.

Using colourful ping pong balls as the lights. Throw them in the water to collect. (Ice cube trays work really well to stop the balls from rolling away).

Hang up stockings:

Use the template to cut up craft foam stockings. Have a mix of colours or just red.

Use your dot movement cube to throw to see what colour stockings they go and find.

Place the stocking on the wall or a place where the children have to climb up and out to pick up.

Take back to their trees or can make a fire out of old cut up noodles and some sensory scarves (red, yellow & orange) & place on a big float.

You can make these in to a game by adding in relay races or a competitive approach.

EQUIPMENT NEEDED:

Christmas tree template and sheet to be laminated.

Ping pong balls and ice cube tray (or bowls).

Lights sheet to laminate (cut in strips). Bauble & light movement cube cards.

Stocking template and Craft foam.
